Intro: G C D C G C D C

Verse 1:

Em **C** **G/B** **C**
I've been trying to run away from this false reality
Em **C** **G/B** **C**
No matter where I turn my back, You're always right in front of me
Em7 **C** **G/B** **C**
So I push You away but I don't know that I'm wrong
Em7 **C** **G/B** **D**
I don't know the words to say to make my faith that strong

Chorus:

G **C** **D** **Em7**
So I will pray to You right now to take away my sin
G **C** **D** **Em7**
Heal away my brokenness and change this heart again
G/B **C** **D** **Em**
Without You I am nothing but a weak and dying man
G **C** **D** **(Em7)**
So I will pray to You right now, come change this heart again

Interlude: Em C G/B Em7

Verse 2:

Em **C** **G/B** **C**
What is going through the motions if my life is still the same
Em **C** **G/B** **C**
Everyday's the same old puzzle, all the pieces re-arranged
Em7 **C** **G/B** **C**
And I refuse Your help, out of my own selfish pride
Em7 **C** **G/B** **D**
Lord I have so many masks to cover up and hide

(chorus)

Ending:

G **C** **D**
So I will pray to You my Lord and change this heart - - - again
