

Even If by Mercy Me

Key D

Intro: D Em D Em

Verse 1:

They say sometimes you win some
Sometimes you lose some
And right now
Right now I'm losing bad
I've stood on this stage
Night after night
Reminding the broken, It'll be alright
But right now
Oh right now I just can't

Pre-Chorus:

It's easy to sing
When there's nothing to bring me down
But what will I say
When I'm held to the flame
Like I am right now

Chorus:

I know You're able, And I know You can
Save through the fire, With Your mighty hand
But even if You don't
My hope is You alone

Verse 2:

They say it only takes a little faith
To move a mountain
Well Good thing
A little faith is all I have right now

Pre-Chorus:

But God when You choose
To leave mountains unmovable
Give me the strength
To be able to sing
It is well with my soul

Chorus 2:

I know You're able
And I know You can
Save through the fire
With Your mighty hand
But even if You don't
My hope is You alone
I know the sorrow
I know the hurt
Would all go away
If You'd just say the word
But even if You don't
My hope is You alone
