

# Take Me Back by David Bowie

Order: V1 - V2 - C - V3 - C - B - C - Ending

Intro: E A C#m A

## Verse 1:

I remember when I was young  
And your voice shouting loud my name  
Since that moment  
Never heard it quite that way  
Now that I'm older  
Could you say it again

## Verse 2:

I remember when I was afraid  
Oh the hand I felt lead the way  
For the first time in my life I felt safe  
Now that I'm older  
Would you lead me again

## Chorus:

When the storm's out on the ocean  
And the violent wind get's to blowing  
Oh take me back, back  
All the way back  
Oh take me back to my first love

## Verse 3:

I remember when I was blind  
And then your love opened up my eyes  
Oh the light that flooded my life  
Now that I'm older  
Would you show me again  
Oh would you show me again

(chorus)

## Bridge:

You are real to me  
I've known it from the start  
There's no space between  
The Heaven's and my heart  
You are near to me  
I've never been too far  
And in the in between  
You brought Heaven to my heart

(chorus)

## Ending:

When it was all simple,  
And loving was easy  
When it was all simple,  
And trusting was easy
