## Verse 1:

**Am**                    **G**                    **F**                    **C**  
Sometimes on this journey, I get lost in my mistakes  
**Am**                    **G**                    **F**                    **C**  
What looks to me like weakness is a canvas for Your strength  
**Am**                    **G**                    **F**                    **C**  
And my story isn't over, my story's just begun  
**Am**                    **G**                    **F**                    **C**  
Failure won't define me 'cause that's what my Father does  
**Am**                    **G**                    **F**                    **C**  
Yeah, failure won't define me 'cause that's what my Father does

## Chorus:

**Am G**                    **F**                    **C**  
Ooh, lay your burdens down  
**Am G**                    **F**                    **C**  
Ooh, here in the Father's house  
**Am**                    **G**  
Check your shame at the door (Ooh)  
**F**                    **C**  
'Cause it ain't welcome anymore (Ooh)  
**Am G**                    **F**                    **C**  
Ooh, you're in the Father's house

**Interlude: | Am / G / I / I / I / I / I C / E F / I / I**

## Verse 2:

**Am**                    **G**                    **F**                    **C**  
Arrival's not the end game, the journey's where You are  
**Am**                    **G**                    **F**                    **C**  
You never wanted perfect, You just wanted my heart  
**Am**                    **G**                    **F**                    **C**  
And the story isn't over, if the story isn't good  
**Am**                    **G**                    **F**                    **C**  
A failure's never final when the Father is in the room  
**Am**                    **G**                    **F**                    **C**  
A failure's never final when the Father is in the room

(chorus)

**Interlude: | F2 C // I F2 C // I F2 C // I**

## Bridge:

**C**  
Prodigals come home  
**F/C**                    **C**  
The helpless find hope  
**F/C**                    **C**  
Love is on the move  
**F6/C**                    **C**  
When the Father's in the room  
**C**  
Prison doors fling wide  
**F/C**                    **C**  
The dead come to life  
**F/C**                    **C**  
Love is on the move  
**F6/C**                    **C**  
When the Father's in the room  
**C**  
Miracles take place  
**F/C**                    **C**  
The cynical find faith  
**F/C**                    **C**  
And love is breaking through  
**F6/C**                    **C**  
When the Father's in the room  
**C**  
Jericho walls are quakin'  
**F/C**                    **C**  
Strongholds now are shakin'  
**F/C**                    **C**  
Love is breaking through  
**F6/C**                    **C**  
When the Father's in the room  
**F/C**                    **C**  
Love is breaking through  
**F6/C**                    **C**  
When the Father's in the room
