

# You Are More

by Tenth Avenue North

**Intro:** Em C G D (2x)

## Verse 1:

Em C2  
There's a girl in the corner  
G D  
With tear stains on her eyes  
Em C2  
From the places she's wandered  
G D  
And the shame she can't hide

Em C2  
She says, "How did I get here?"  
G D  
I'm not who I once was.  
Em C2  
And I'm crippled by the fear  
G D  
That I've fallen too far to love"

Am Em D  
But don't you know who you are,  
What's been done for you?  
Am Em D  
Yeah don't you know who you are?

## Chorus:

Em C2  
You are more than the choices that you've  
made,  
G D  
You are more than the sum of your past  
mistakes,  
Em C2  
You are more than the problems you create,  
G D  
You've been remade.

## Verse 2:

Em C2  
Well she tries to believe it  
G D  
That she's been given new life  
Em C2  
But she can't shake the feeling  
G D  
That it's not true tonight

Em C2  
She knows all the answers  
G D  
And she's rehearsed all the lines  
Em C2  
And so she'll try to do better  
G D  
But then she's too weak to try

Am Em D  
But don't you know who you are? (chorus)

## Bridge:

C2 D  
'Cause this is not about what you've done,  
Em  
But what's been done for you.  
D/F#  
This is not about where you've been,  
C2  
But where your brokenness brings you to  
D  
This is not about what you feel,  
Em  
But what He felt to forgive you,  
D/F#  
And what He felt to make you loved.

## Ending:

Em C2  
You've been remade  
G D  
You've been remade  
Em C2  
You've been remade  
G D  
You've been remade.
