G Some say Christmas is for children
A And I believe it's true

A to the child inside of you?
G A - waken from your slumber,
A come see with younger eyes
G And be taken by the wonder
A that took the whole world by surprise

Chorus:

G Christmas is coming, the bells are ringing
G Hope comes alive as music fills the air
G/D I hear the drumming, it won't be long now
G/D Christmas is coming, will you be there?
G Christmas is coming, will you be there?

Verse 2:

G They're dressing up the city
A in a brightly lighted gown
G There's singing in the streets
A whenever Christmas comes to town
G So let the spirit find you
A wherever you have been
G And bring you to the Child who makes us
A children again

Bridge:

Em Prepare ye the way
Em For God's own baby Boy
Em Born to mend all broken things
D And to heal the world with joy
D He will heal the world with joy

Verse 3:

G I don't want you to miss it, I know I have before
G Like the innkeeper who missed the wonder right
outside his door
G So open up your heart
A as Christmas passes through
G Just in time to wake the child asleep
inside of you *(hold)*
