

# Christmas is Coming *by Jason Gray*

Piano

## Intro:

**Gb Cb**                      **Gb/Bb**  
Christmas is coming,  
**Db**                      **Ebm Db**  
the bells are ringing  
**Gb**                      **Gb/Bb Db**  
Hope comes a - live as music fills the air

## Instrumental: (x2)

**Cb/Gb Gb / / | Cb/Gb Gb / / |**  
**Cb/Gb Gb / / | Db / / / |**

## Verse 1:

**Cb**                      **Gb**  
Some say Christmas is for children  
                 **Db**                      **Ebm**  
And I believe it's true  
                 **Cb**                      **Gb**  
Can you hear the season calling  
                 **Db**  
to the child inside of you?  
                 **Cb**                      **Gb**  
A - waken from your slumber,  
                 **Dd**                      **Ebm**  
come see with younger eyes  
                 **Cb**                      **Gb**  
And be taken by the wonder  
                 **Db**                      **Db**  
that took the whole world by surprise

## Chorus:

**Cb**                      **Gb**                      **Cb**                      **Gb**  
Christmas is coming, the bells are ringing  
**Cb**                      **Gb**                      **Db**  
Hope comes alive as music fills the air  
**Cb/Gb**                      **Gb**                      **Cb/Gb**                      **Gb**  
I hear the drumming, it won't be long now  
**Cb/Gb**                      **Gb**                      **Db**                      **Ebm**  
Christmas is coming, will you be there?  
**Cb**                      **Gb**                      **Db**                      **Gb**  
Christmas is coming, will you be there?

## Turn:

**Gb / / / | Gb / / /**

## Verse 2:

**Cb**                      **Gb**  
They're dressing up the city  
                 **Db**                      **Ebm**  
in a brightly lighted gown  
                 **Cb**                      **Gb**  
There's singing in the streets  
                 **Db**  
whenever Christmas comes to town  
                 **Cb**                      **Gb**  
So let the spirit find you  
                 **Db**                      **Ebm**  
wherever you have been  
                 **Cb**                      **Gb**  
And bring you to the child who makes us  
**Db**  
children again

## Bridge:

**Abm7**                      **Gb**  
Prepare ye the way  
                 **Abm7**                      **Ebm**  
For God's own baby Boy  
                 **Abm7**                      **Gb**  
Born to mend all broken things  
                 **Gb**                      **Cb**  
And to heal the world with joy  
                 **Gb**                      **Cb**  
He will heal the world with joy

## Verse 3:

**Cb**                      **Gb**                      **Db**                      **Ebm**  
I don't want you to miss it, I know I have before  
                 **Cb**                      **Gb**                      **Db**  
Like the innkeeper who missed the wonder right  
outside his door  
                 **Cb**                      **Gb**  
So open up your heart  
                 **Db**                      **Ebm**  
as Christmas passes through  
**Cb**                      **Gb**                      **Db**                      *(hold)*  
Just in time to wake the child asleep  
inside of you

*(chorus) (instrumental)*
